## 1. Appeals against internal assessment decisions (centre assessed marks)

This procedure confirms **Valence School's** compliance with JCQ's General Regulations for Approved Centres 2018-2019 section 5.7 that the centre has in place "a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates" and that the centre "must inform candidates of their centre assessed marks. A candidate is allowed to request a review of the centre's marking before marks are submitted to the awarding body."

Certain components of GCSE and GCE (legacy GCSE coursework, GCE and GCSE non-examination assessments) and other qualifications that contribute to the final grade of the qualification are internally assessed (marked) by the centre. The marks awarded (the internal assessment decisions) are then submitted by the deadline set by the awarding body for external moderation.

## Deadlines for the submission of marks (Summer 2019 exam series)

Date	Qualification	Details
31/05/2019	GCE/AS/GCSE	Art Final date for submission (WJEC)
12/05/2019	GCSE	DT Final date for submission (WJEC)

Valence School is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Valence School ensures that all centre staff follow a robust *Non-examination assessment policy* (for the management of GCE and GCSE non-examination assessments). This policy details all procedures relating to non-examination assessments for GCE, AS, GCSE, iGCSE, Entry Level, Entry Level Pathways, Cambridge Technicals, Cambridge Nationals and Functional Skills including the marking and quality assurance processes which relevant teaching staff are required to follow.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Valence School is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of his/her work, or that the assessor has not properly applied the mark scheme to his/her marking, then he/she may make use of this appeals procedure below to consider whether to request a review of the centre's marking.

Valence School will ensure that candidates are informed of their centre assessed
marks so that they may request a review of the centre's marking before marks are
submitted to the awarding body.

- 2. Valence School will inform candidates that they may request copies of materials (for example, a copy of their marked work, the relevant specification, the mark scheme and any other associated subject-specific documents) to assist them in considering whether to request a review of the centre's marking of the assessment. The candidate has 2 working days from receipt of their marks to make a request for materials and start the appeals process.
- 3. Valence School will, having received a request for copies of materials, promptly make them available to the candidate within 2 working days.
- 4. Valence School will provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision.
- 5. Valence School will provide a clear deadline for candidates to submit a request for a review of the centre's marking. Requests will not be accepted after this deadline. Requests must be made in writing within 5 working days of receiving copies of the requested materials by completing the **Internal Appeals Form**.
- 6. Valence School will allow 3 working days for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
- 7. Valence School will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
- 8. Valence School will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
- 9. Valence School will inform the candidate in writing of the outcome of the review of the centre's marking.

The outcome of the review of the centre's marking will be made known to the head of centre. A written record of the review will be kept and made available to the awarding body upon request.

The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that centre marking is line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.

2. Appeals against the centre's decision not to support a clerical check, a review of marking, a review of moderation or an appeal

This procedure confirms Valence School's compliance with JCQ's General Regulations for Approved Centres 2018-2019, section 5.13 that the centre has in place "a written internal"

appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support a clerical check, a review of marking, a review of moderation or an appeal..."

Following the issue of results, awarding bodies make post-results services available. Full details of these services, internal deadlines for requesting a service and fees charged are provided by the exams officer.

Candidates are also informed of the arrangements for post-results services **before** they sit any exams and the accessibility of senior members of centre staff immediately after the publication of results by [insert your centre's process detailing how candidates are informed].

If the centre or a candidate (or his/her parent/carer) has a concern and believes a result may not be accurate, a review of the result may be requested.

Review of results (RoRs) offers three services.

- Service l clerical re-check
- Service 2 review of marking
- ➤ Service 3 review of moderation (this service is not available to an individual candidate)

Written candidate consent (informed consent via candidate email is acceptable) is required in all cases before a request for an-RoR service 1 or 2 is submitted to the awarding body as with these services candidates' marks and subject grades may be lowered. Candidate consent can only be collected **after** the publication of results.

If a concern is raised about a particular examination result, the exams officer, teaching staff and head of centre will investigate the feasibility of requesting a review supported by the centre.

Where the centre does not uphold a request from a candidate, the candidate may pay the appropriate RoR fee to the centre, and a request will be made to the awarding body on the candidate's behalf.

If the candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision not to support an enquiry, an internal appeal can be submitted to the centre by completing the **Internal appeals form** within 5 days of returning to school in September or within a week of receiving their results at any time of the year.

The appellant will be informed of the outcome of his/her appeal within 5 working days of the candidate appeals deadline.

Following the RoR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications Post-Results Services and JCQ Appeals Booklet (A guide to the awarding bodies' appeals processes) will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the RoR outcome, but the candidate (or his/her parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the JCQ Appeals Booklet. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

The **internal appeals form** should be completed and submitted to the centre within 7 calendar days of the notification of the outcome of the RoR. Subject to the head of centre's decision, this will allow the centre to process the preliminary appeal and submit to the awarding body within the required **30 calendar days** of receiving the outcome of the enquiry about review of results process. Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer). If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.]

On receipt, all complaints/appeals are assigned a reference number and logged. Outcome and outcome date is also recorded.

The outcome of any review of the centre's marking will be made known to the head of centre. A written record of the review will be kept and logged as an appeal, so information can be easily made available to an awarding body upon request.
